

Do you have HHT?

Would you like to be involved in a short question-based study on diet, nosebleeds and HHT?

For more information, please contact

Ms Helen Finnamore
(helen.finnamore@kcl.ac.uk)

or

Dr Claire Shovlin
(c.shovlin@imperial.ac.uk)

This study is sponsored by Imperial College London, UK and has been given a favorable Ethics opinion by the South West London REC3 Research Ethics Committee
